

Hon'ble Governor of Tamil Nadu has made appeal to follow the instructions of the Hon'ble Prime Minister about 3 weeks lockdown

Hon'ble Governor of Tamil Nadu has made appeal to the people of Tamil Nadu to follow the instructions of Hon'ble Prime Minister of 3 weeks lock down in letter and spirit and stay at home. People who are asked for home quarantine must follow it scrupulously. Don't at all put life of yours, your dear ones in danger. Take care of your family and friends. Keep social distancing about 1.5 meter. Don't get panic.

All essential services will be provided by the State Government. It is very very challenging situation. We can come victorious against the spread of Corona virus by staying at home and breaking the chain. Tamil Nadu Government is taking all efforts to control the corona spread as well helping the vulnerable section of the society. I appreciate the State Government for taking many proactive steps. I have full trust in people of Tamil Nadu, let's fight this challenge together.

Humanity and India should win this fight and Tamil Nadu should lead the fight as a model state. Stay at Home and Stay Safe.
