HON'BLE GOVERNOR THIRU BANWARILAL PUROHIT INTERACTED WITH THE VICE-CHANCELLORS OF STATE UNIVERSITIES THROUGH VIDEO CONFERENCING FOR DISSEMINATION OF COVID-APPROPRIATE BEHAVIOUR, PREVENTION OF CORONA VIRUS AND POPULARIZATION OF VACCINATION AMONG THE SOCIETY

Hon'ble Governor of Tamil Nadu, Thiru Banwarilal Purohit, who is also the Chancellor of 21 State Universities, convened a virtual meeting of the Vice-Chancellors of State Universities and discussed the methods of awareness creation among the community about the corona-appropriate behaviour, prevention of corona virus and popularization of vaccination among the society.

During the meeting the Hon'ble Governor asked the Universities to play a crucial role, by utilizing the vast potential of students, to create an effective awareness about Corona in the society. The Hon'ble Governor insisted that compulsory wearing of masks, frequent washing and sanitization of hands and maintaining social distance must be practiced in the fight against Corona. The teaching community should educate the students online about the importance of practicing the corona appropriate behaviour and the students in turn should take the message to their homes and their family

members and finally the message should disseminate into the community at large and the society should successfully fight against the corona.

The Vice-Chancellor of the MGR Medical University and many other Vice-Chancellors of the State Universities shared their views and plan of action for the dissemination of information about COVID-appropriate behaviour, prevention of corona virus and popularization of vaccination among the society.

The Hon'ble Governor desired that the Universities of Tamil Nadu should be the front runners in creating awareness among the society and every University should take the responsibility until the Corona pandemic get over.
